REMARKS

The Notice Regarding Drawings of 18 October, 2005 has been reviewed. Because the time period in which to respond to the Notice of Drawings terminates on 18 December, 2005, a Sunday, the reply is due the next business day, Monday, 19 December 2005. Accordingly, this paper is being timely filed, and no fees are required.

A formal drawing for Figure 7 is attached hereto.

Figure 2 comprises Figures 2A, 2B, 2C and 2D.

In a telephone conversation with Supervisory Primary Examiner ("SPE") T. Luu of Group Art Unit 3644 on 12 December 2005, Applicant's representative discussed a proposed examiner's amendment to the specification. Specifically, the deletion of line 3, on page 18 of the specification was proposed, deleting reference to Fig. 2. SPE Luu indicated her agreement to such an examiner's amendment. Applicant assumes that such amendment has been entered, and therefore, there is no "missing" Fig. 2, and with the submission of the formal drawing for Fig. 7 herewith, Applicant submits the Draftspersons' objections to the drawings have been resolved, and that the application is in condition for issuance.

Respectfully submitted,

Bryant Joseph
